

Thanks to the generosity of our Annual Fund donors, SigEp made an unprecedented impact on thousands of undergraduate men throughout the 2020-21 school year.

### CAREER COACHING

Nearly 1,000 undergraduate brothers were matched with an alumnus in their desired career field for a career coaching session. Many have continued relationships with their mentors and gained valuable career connections, and 100% of participants rated the program as valuable.

HUNTER HILDEBRAND, DRAKE '22

*The mentorship I have gained through SigEp Career Coaching has given me a deeper understanding of what is needed to thrive in my future career. I have gained plenty of insights, advice, guidance, and even an internship through my career coaches with SigEp.*

### EXECUTIVE DEVELOPMENT

Monthly virtual sessions led by experienced alumni experts equipped undergraduate leaders to succeed in their officer roles and enable a high-quality, developmental SigEp experience for their brothers, through the pandemic.

### TRAGOS QUEST TO GREECE

Seventeen scholars recently returned from the 2021 Tragos Quest—a study abroad experience that changes the way brothers view the world, their Fraternity and themselves. The program is named for Past-Grand President William Tragos, Washington-St. Louis '56, and his wife Lilli, and is supported by Annual Fund donors.

### TRAGOS QUEST TO GREECE

### INCREASED ACCESS TO VIRTUAL PROGRAMS

### VIRTUAL RUCK LEADERSHIP INSTITUTE

445 undergraduates—over three times more than a typical year—received mentorship from alumni facilitators over two sessions this summer and fall. The leadership development provided through this expanded program resulted in one of the best-prepared cohorts of SigEp leaders in our history.

VINCIENT WHATLEY, KENTUCKY WESLEYAN '22

*Virtual Ruck revitalized me and renewed my pride for SigEp. It can be hard because it seems like everything changed overnight within the world. But going through Ruck gave me the tools to keep trying my best and giving my brothers the support they need.*

### GRAND CHAPTER CONCLAVE

More than 1,000 SigEps gathered in Denver for the 57th Grand Chapter Conclave over the summer. The 2021 Conclave held special meaning, as brothers from all over the country safely reunited in person.

### 2021-2022 PROGRAMS

Here's the lineup of impactful leadership experiences coming this academic year.

- **Executive officers:** Carlson Leadership Academies; monthly virtual officer training; virtual national transition retreat
- **Emerging leaders:** Springboard, a virtual series to launch them into SigEp leadership
- **Personal development:** Ruck Leadership Institute; Tragos Quest to Greece
- **Professional development:** Career Coaching; Life After College career preparedness event

**IMPACT**  
on SigEp in 2020-2021

SigEp's Annual Fund enables the Fraternity to provide life-changing programs, scholarships and housing for our undergraduate men. Throughout 2020-21, generous brothers and friends gave an unprecedented amount to the Annual Fund, allowing SigEp to make critical pivots to maximize the Fraternity's impact against the backdrop of a global pandemic.

# 2020–2021 BOARD OF GOVERNORS

The Board of Governors is the lead donor group that provides support for the Educational Foundation's Annual Fund. With our deepest appreciation for their generosity and continuing support, SigEp would like to recognize the following donors for their Board of Governors-level giving during our 2020-2021 fiscal year. BOG members allow SigEp to expand the quality and reach of chapter programs, leadership events and scholarships each year.
